

Multisport Scoreboards

The NSxx36 is a multisport scoreboard especially designed for FUTSAL. You have 2 penalties for each team and a counter which can be used for team fouls.

Nautronic multisport scoreboard systems are pre-programmed with the following sports: futsal, volleyball, basketball, tennis, handball, water polo, floor ball, mini hockey and ice hockey.

Up to 9 scoreboards can be operated from one control panel. Four-sided scoreboards are also delivered on request, and in most cases custom requirements can be accommodated.

The scoreboard is easy to install, mounting brackets are supplied with every system.

Every scoreboard produced by Nautronic a/s is a high quality product and has gone through rigorous testing before leaving the factory and being shipped off to its destination anywhere in the world.
